

HOLY FAMILY CHURCH CLEANING SCHEDULE
July - December 2010

In order that we may have clean, comfortable surroundings as we gather to worship, the PIA committee asks that 1 or 2 families per week be responsible for cleaning the church facilities.

Responsibilities include:

- vacuuming all carpets (except the hospitality area);
- emptying all garbages from all rooms;
- cleaning glass doors (and any windows as needed);
- cleaning and dusting all furniture, chairs, countertops in the main church, the sanctuary, sacristy, family room and the reconciliation room.

The hospitality area/kitchen should be cleaned and vacuumed by the families that serve on Sunday.

If you are unable to accomplish the duties as requested, please work a trade with another family.

THANK YOU!
